# Why is Enhancing the Member Experience Important?

- Members who have a positive experience may be more likely to engage
- Member engagement is linked to improved health outcomes, such as:\*
  - Better management of chronic health conditions
  - Scheduling of preventive tests
  - Appropriate emergency department use
  - Lower rates of hospitalization
- Member engagement allows individuals to have input into their health systems and communities

**Invite members** to participate in decisions and conversations that impact their services and supports.

# Strategies to Improve Member Engagement

#### Implementation Example

- Inform members of opportunities to participate in committees, advocacy, policymaking and/or health plan governance
- Meeting planning and preparation
- Demonstrate that members are valued:
  - Stipends
  - Mileage reimbursements
  - Document format and delivery
  - Completing the feedback loop and providing data on results

Host member and stakeholder meetings at **consistent times** and provide plenty of time to review packet materials prior to meetings.

# Determining Member Engagement Needs and Information Exchange Learning Preferences

### What Information Do We Share with Our Members?

- Print (brochures, handbooks, flyers, forms, etc.)
- Digital documents/attachments
- Text messages
- Social media posts
- Infographics
- Audiovisual (phone, radio, television)

**Involve members** in the preparation and review process when you create materials with members as the intended audience.

# Member Communication and Learning Considerations

- Language
- Readability
- Plain language
- Health literacy
- Digital literacy
- Graphics
- Demonstration
- Others?

Looking for guidance regarding plain language and health literacy?

- Find OOC **job aids** on <u>VERN</u>
- Be concise: plainlanguage.gov/guidelines/concise
- CDC **Clear Communication** Index: www.cdc.gov/ccindex

## Member Communication Preferences

Vaya can connect members seeking information about services and supports with free translation and interpretation services for more than 150 languages. **Contact Member Services** for more information.

# Tools to Enhance the Member Experience

#### Feedback Loop

Provide a reliable feedback loop for member suggestions. Follow-through is essential so members know where their feedback goes and the impact or outcome.
