Provider Portal Downtime Postponed

Vaya Health has postponed the [Provider Portal](#) downtime previously scheduled for 9 p.m. tonight through 4 a.m. Saturday, July 27, 2024. Users may continue to access the portal during this time.

We will announce a new date for scheduled system maintenance in a future Provider Communication Bulletin.

Why did I receive this email? Vaya Health requires network providers to subscribe to our Provider Communication Bulletin. For more information, reference our [Provider Operations Manual](#).
