IN THIS ISSUE: Coming Tomorrow: Vaya Health Learning Summit 2026

ALL NETWORK PROVIDERS

COMING TOMORROW: Vaya Health Learning Summit 2026 May 13-15, 2026

[Registration is still open for Vaya's Learning Summit 2026](#), a virtual professional development opportunity for providers and Vaya staff. Presented in partnership with the Mountain Area Health Education Center (MAHEC), the summit offers courses designed to expand your knowledge, strengthen your skills, and provide up to 11.5 contact hours.

This year's theme is "Partnerships in Practice: Mind, Body, and Systems." The early registration period has expired, and **registration is \$65**. Only individuals who attend the summit will have access to event recordings, and live attendance is required to receive contact hours.

If you have previously completed a MAHEC training, you already have an account. For assistance creating an account or registering, call MAHEC at 828-257-4475 or email registration@mahec.net. Save your registration confirmation email, which includes your official calendar invitations and event links for each day.

To view the full agenda, visit the MAHEC [registration](#) webpage or review the [PDE version](#). This year, most sessions allow you choose between Option A or Option B. You do not need to select session options in advance, but we encourage you to review the agenda ahead of time to plan your experience.

New This Year: Notes Template

Vaya has created a template you can use to gather notes, highlights, and insights from the presentations you attend. The goal is to make it easier to stay organized and reflect on what you've learned. Download [the template](#).

PowerPoint presentations will not be available before, during, or after the event. If you have questions about the summit, email training@vayahealth.com.

Why did I receive this email? Vaya Health requires network providers to subscribe to our Provider Communication Bulletin. For more information, reference our [Provider Operations Manual](#).
